

### Addiscombe Litter Action Sept 2021

At our June meeting we discussed setting up a litter picking group to support those who already volunteer their time to keep our residential streets clean, as well as plan group litter picks in the area.

We've had a test run and managed to collect eight bags of litter along Lower Addiscombe Road, Blackhorse Lane, Woodside Court Road, Claremont Road and Bingham Corner. We're looking forward to running more sessions in the future.

Thanks to Jenny for taking on the organisation and Claire and Sheila for getting involved.
