

Addiscombe Litter Action 2021/2022

Addiscombe Litter Action was setup after last year's ASPRA AGM by a group of residents, with the aim of encouraging everyone to get involved in making our area clean and safe.

Despite COVID challenges, we ran our first pick in July 2021. It was a great success, with many bags collected and residents engaged.

We published an article about the pick and our plans for more in the [Summer Addiscombe Magazine](#).

We went into hibernation in winter, as the darker evenings meant we couldn't as easily get out and about.

We've restarted in 2022 with picks on every second Monday of the month from April:

- Monday 11th April 2022
- Monday 9th May 2022
- Monday 13th June 2022
- Monday 11th July 2022
- Monday 8th August 2022
- Monday 12th September 2022

We've got brand new kit thanks to ASPRA and will now be able to safely pick with new gloves, pickers and rings.

If you would like to join us please do! All the info on:
